ABOUT THE CREATOR

Joe Wos has been a professional cartoonist since the age of 14. His career path over the past four decades has taken as many twists and turns as one of his mazes, as he finds new and innovative ways to pursue his passion for the cartoon arts. With MazeToons—a unique hybrid illustration that is part cartoon and part puzzle—Joe has fulfilled a lifelong dream to appear in the funny pages. MazeToons is distributed world-wide by King Features Syndicate. He is the author and illustrator of a dozen books including “A-Maze-Ing Peanuts” featuring Charlie Brown, Snoopy and the whole Peanuts gang. Joe is the winner of the 2020 Divisional Reuben Award for the Variety Category as presented by the National Cartoonists Society. With great delight, he has heard every variation of the phrase “A-maze-ing.”
